**Has your community been effected by a physical natural disaster such as a hurricane, tornado, flood, or fire?** y/n/don't know

**How many kids does your organization provide services to each year?**

If you provide services to the same children each day, *please do not multiply* this number by 7 or 365. Instead, please provide the enrollment/year.

Describe how you calculated the number of children in the question above.

**What race or ethnicity best describe the kids who receive your services?**

Please provide percentages to your best estimate that total 100.

- Asian (not Hispanic or Latinx)
- White
- African American/Black (not Hispanic or Latinx)
- Indigenous, American Native or Alaska Native (Not Hispanic or Latinx)
- Hispanic or Latinx
- Not listed

**What is the median household income of the population you provide services to at this site?**

If your organization collects information on the median household income of the individuals you serve, please include. If median household income information is unavailable through your organization's

data, please use this link to define the income based on the census tract nearest to the proposed site.

**What age range does your organization provide services to at this site?** Check all that apply.

Under 2, 2-5, 5-12, 12-18, 18+

**ABOUT YOUR PLAYSPACE**

**What is your site address (if different from your organization address)?** This is the address where the playspace will be located.

Street name, city, zip, state, county

**Will your proposed playspace be open to the general public?** y/n/other

If other, who will have access to your playspace? Include as much detail as possible including the hours the playspace will be open, what level of access the general public will have and any particular licensing restrictions or other limitations to usage.

**Our standard playspace projects are about 2,500 sq/ft or 50x50ft. What are the estimated dimensions of your proposed playspace area (in feet):** \_\_\_X\_\_\_

**Will any of your intended playspace visitors require specialized equipment for accessibility?** y/n/not sure

If yes, please describe the physical, visual or auditory needs of your community members.

**Check the box below if your site has existing play equipment.** y/n

If yes, check the box below if you plan to keep your existing play equipment. y/n

**Within the area of your proposed playspace, are there any of the following?**

Check all that apply. If any of these items are located within your playspace area, include them in your site map (requested on next page)

- Trees
- Fences
- Buildings
- Playground equipment
- Sloping land
- In-ground drains
- Water features
- Retaining walls
- Standing water
- Concrete/cement borders
- Utility lines

**Is there any major construction scheduled on or surrounding the proposed playspace site in the next 12 months?** y/n

If yes, please describe

**Does your organization own the land at the proposed playspace site?** y/n

If no, who owns the land?

**Are there playspaces within a half mile walking distance to your site?** y/n

If yes, can you see any of the nearby playgrounds from your site? y/n  
Please note whether the playspaces are open to the public and if the children you serve has access to these playspaces.

**SITE PHOTOS**

We rely on your photos to provide a clear and comprehensive view of the space where you plan to build your playground. If uploading pictures is not possible now, you can do so later on in the process. All photos must be attached as .jpg, .png, .jpeg or .gif files.

Picture #1 Equipment: Please provide photos of any existing equipment that is on your site. Include close-up photos that show the condition of the equipment. Be sure to capture any damaged or missing pieces.

Picture #2: Playspace Area

Please provide 4-5 images showing each side of your playspace area to create a total 360-degree view.

**SITE MAP**

Using either pen and paper or a computer program such as Google Earth, Word, or Paint, create a simple sketch of your proposed playground site. Your site map should include:

Site Dimensions: (ex: 47' x 53')

Access points: If there is a gate, stairs, or a fence surrounding the site, show where it is located in your drawing.

Physical Characteristics: Trees, fences, buildings, existing playground equipment, retaining walls, etc.
